

Carolin Stone

SIZING GUIDE RINGS

➤ PRINTING SETTINGS

Print this site in **actual size** or print in **100%**. In order to make sure your document is in real size, please take a ruler and measure the sample below. It should measure exact the 2 cm in width and length.

➤ FIND YOUR SIZE

Take one of your own rings that perfectly fits the finger on which you would like to wear your Carolin Stone ring.

Place your ring over the different diagrams below to find the nearest sized circle of the Ring Size Chart.

The inner edge of your current ring should be aligned with the outer edge of the circle.
